

Brilliant Environmental Services, LLC (*Brilliant*) is a full-service environmental consulting and contracting firm, integrating today's technologies for tomorrow's solutions. Headquartered in New Jersey, *Brilliant* specializes in investigation, remediation, brownfields redevelopment, and underground storage tank services. *Brilliant* is the underground storage tank compliance expert.

Our Offices will be closed on Tuesday, December 24 and Wednesday, December 25, so that our staff can share the holiday with their family. For immediate assistance during this time, call (888) 901-2537.

Not All Environmental Experts Perform Background Investigations

Brilliant Environmental Services, LLC (*Brilliant*) not only prides itself on providing expert remediation services to Child Care Centers in New Jersey, but we complete extensive criminal background investigations on all staff members so as to assure your safety and security. In the current world we live in, you need to know who is entering your building and we at Brilliant needs to assure you that our staff meets the highest standards of safety as well as knowledge of environmental concerns.

Since our inception, *Brilliant* has utilized an outside vendor to complete a background investigation on all staff members to assure our clients safety along with environmental expertise. The background investigation includes, but is not limited to, social security trace, statewide criminal searches, county criminal

searches, motor vehicle report, multi-state database search, federal searches, Megan's Law compliance, as well as drug and alcohol testing on an annual basis. *Brilliant* wants you to be comfortable with our staff and satisfied with our services.

Starting 2020, *Brilliant* will provide a notification email prior to every Child Care Center site visit with a photograph of the personnel scheduled to complete activities on your site. *Brilliant* wants you to be assured of not only the highest quality services, but comfort in the staff providing it.
