

**Brilliant Environmental Services, LLC (*Brilliant*)** is a full-service environmental consulting and contracting firm, integrating today's technologies for tomorrow's solutions. Headquartered in New Jersey, *Brilliant* specializes in investigation, remediation, brownfields redevelopment, and underground storage tank services. *Brilliant* is the underground storage tank compliance expert.

A dark blue infographic titled "COVID-19 KNOW YOUR RISK" with the subtitle "If you have no symptoms...". It lists four risk levels based on exposure scenarios:

- HIGH**: HAD PROLONGED CLOSE CONTACT WITH SOMEONE POSITIVE FOR COVID-19. \*SELF-QUARANTINE & MONITOR
- MEDIUM**: TRAVELED INTERNATIONALLY TO A COUNTRY UNDER CDC LEVEL 3. \*SELF-QUARANTINE & MONITOR
- MEDIUM**: TRAVELED DOMESTICALLY TO AN AREA WITH KNOWN COMMUNITY-SPREAD. \*SELF-OBSERVATION
- LOW**: SPENT TIME INDOORS (NO CLOSE CONTACT) WITH SOMEONE POSITIVE FOR COVID-19. \*SELF-OBSERVATION

At the bottom, it states: "If you develop fever, cough, or difficulty breathing, contact your health care provider and self isolate."

### **Brilliant Cares and Values All Our Clients and Staff**

To continue to ensure the safety of our staff, our clients and our communities, Brilliant has been reviewing the Executive Orders of New Jersey Governor Murphy and discussing with health and business experts on how best to handle this situation. We must take part in the slowing of the spread of COVID-19, as we all must do our part to help rid our communities of this virus. At that same time, we have our clients, our staff and families to consider, so we must do what is right at this time.

[Click here for more information on Brilliant's response to COVID-19](#) and how we will best serve our clients, while maintaining our #1 priority, the protection of public health, safety and the environment.
