

THOMAS L. ADAMS, LSRP JOINS *BRILLIANT* ON APRIL 19

Brilliant is excited to announce the addition to our team of another LSRP with over 20 years experience. Thomas L. Adams, LSRP will join the *Brilliant* team on April 19th as Senior Project Manager/LSRP after working for over 15 years as Project Manager for a small Ocean County environmental consulting firm. Tom is a graduate of Richard Stockton University (College when he attended) with a BS in Environmental Science. Tom is an LSRP in the State of New Jersey and has a vast experience on remediation project sites from underground storage tanks to chlorinated solvent remediation.

Tom joins *Brilliant* at a time of growth, with *Brilliant* just securing a portfolio contract for additional project work on retail service stations in New Jersey and New York, as well as continued growth based upon high quality and cost effective service. Tom will have the opportunity to work with clients on their site remediation projects, providing his expertise and regulatory knowledge. Tom's experience with mitigation systems, especially vapor intrusion mitigation and soil vapor extraction will expand *Brilliant's* ability to provide client services as a one-stop-shop.

We are excited to have Tom on board and please reach out to him at (732) 818-3380 ext 106 or adams@brilliantenvironmental.com. Tom's story and resume will be posted on our [website](#) soon - so check it out.
